### Study Plan Reminder Tips

- Set days and times of when you will study
- Be specific on what you will study at each time
- Use the Pomodoro Technique (Study for 25 minutes, rest for 5 minutes)
- When "testing" yourself, recreate the test environment. Don't use your notes or textbook if you won't be able to use it during the test.

### Preparation Strategies – DO FIRST (check off ones that you've completed)

### Review Strategies – TEST YOURSELF (check off ones that you've completed)

Develop study sheets	Summarize material	Recite study sheets	Answer essay questions
Create practice tests	List steps in the process	Test yourself using flashcards	Recite answers
Flashcards (vocab, problem, formula, question)	Predict/write essay questions	Take practice self-tests	Explain material to a group or someone
Re-read text material	Make a list of 20 topics that would be on test	Practice study guide info out loud	Recite chapter review answers /main points out loud
Outline reading/material	Answer chapter review questions	Do any "missed" problems	Teach the material to someone

<b>What will be on the test?</b>  (List the topics and put an "x" in the column that best describes how well you know about the topic)	Topic	I know this	Not too sure	No idea	Date Reviewed
